

Welcome to Porters Steakhouse

At Porters Steakhouse, we hope your time with us is enjoyable but we understand that for some people with autism, sensory or additional needs, visits to restaurants can be a very stressful experience and can cause a lot of frustration and anxiety. So we are here to help!

We always want to give all our customers the best possible dining experience. To try and help to make your visit to us as enjoyable as possible, we have created this resource for those with autism and their parents/ carers.

If you can't find the information you need please don't hesitate to contact us!
